How to make Tinker Bell's Winter Woods snow flakes

Step 1: Cut out a 4 to 5 inch square piece of paper and fold it as directed above.

Step 2: Use your marker to draw a simple pattern on your folded paper.

Step 3: Cut out along the lines of your pattern

Step 4: Unfold your paper cutout and check it out!

◀ **Your snowflake should look something like this!**

Step 5: Now, it's time to try some more cool snowflake patterns!

Ask your friends and family to join in the fun!

Make Your Own Winter Woods Wonderland!

Attach a strand of white thread or fishing line to your snowflake with clear tape. Ask a grown up to help you tape the other end to your bedroom ceiling. Do this with all your new snowflakes and turn your bedroom into a magical winter wonderland!
